

# sniffing out opportunities

## Good food, Good for you, Good for the Environment, Good to eat!

Our client, **Sheepdrove Organic Farm**, is a holistic model of environmentally responsible farming, driven by passionate concern for animal welfare, wildlife conservation and a sustainable rural economy.

In order to expand sales in the South East the business is looking for a **London Based** dynamic & energetic Customer Orientated sales professional to develop the business within the restaurant, catering and wholesale sector.

### The Role

- ◆ To unearth New Business opportunities.
- ◆ To manage and grow the new customer accounts as well as the existing wholesale clients.
- ◆ Responsible for achieving the company's growth targets.
- ◆ Involvement in the general Company marketing and new client development.

### The Right Person MUST have...

- ◆ A proven track record as a successful sales and marketing professional.
- ◆ A passion for food and a hunger for success !!!!
- ◆ Enormous enthusiasm and a belief in the ideology behind environmentally responsible food production.
- ◆ Drive, ambition, energy, creativity and a CAN-DO attitude.
- ◆ A "REAL" commitment to first rate customer service and excellent communication skills.
